

Guidelines and Sessions

Everyone is required to wear a mask. Extra masks will be available at the studio. Dancers may take mask off for the period of dancing. You will have your temperature checked upon arrival to the studio. For everyone's safety please use hand sanitizer.

Our capacity is 300 people; however, we want to be extra careful and allow only 10% capacity per session!

We will run our event in sessions to provide maximum safety.

Dancing will take place in the Main Ballroom. First floor will be reserved for practice and costume change. Studio "A" will serve as a practice floor for your warm up!

Schedule will be run in SESSIONS where you will have:

- 1) 30min for your warm up and costume change
- 2) 45-60min for dancing
- 3) 20min to leave the studio
